Experience

Vocational

2018–2019 **Junior Python Developer, Inoxoft, Lviv.**

GEODATA / REVIEW AGRAGATION PLATFORM

Data agreagator based on python and a web service based on django. Was purposed for getting a “meta”-summary from a variety of booking services (E.g. Booking.com, Trip Advisor, Google Maps and others) with a summary for each platform specials and discounts.

2017–2018 **Freelance, Lviv National Polytechnic University, Lviv.**

Was trying to find myself in different branches. Had my own projects, though all of them were somewhat connected to LNPU.

Miscellaneous

2014–2018 **Math Tutor, Lviv.**

Had my time with kids and teenagers helping them master math and succeed with the External Evaluation and the Governmental Exams.
