# Anastasiia-Mariia Kovalyshyn

*Trainee/Junior Python Developer*

## About me

I love minimalism and simplicity in everything, first of all in the code. A little bit stubborn, but it gives me inspiration to make my ideas and projects real. I am an enthusiastic, self-motivated, responsible and hard working person, well organized and always plan ahead to make sure I manage my time well. A girl with huge ambitions and a desire to make world around me more comfortable for others, and for me of course :)
